THREE EASY WAYS TO BUY NOW

Buying Wacker Neuson equipment is now more flexible than ever with three finance programs from Wacker Neuson Finance.

1

STANDARD PROGRAM

Wacker Neuson offers terms from 12-72 months with no money down, no advance payments, no security deposits, no interim rent, and no purchase option. Simply make the agreed upon number of payments and you own the equipment.

2

FIXED PURCHASE OPTION

The Fixed Purchase Option (FPO) allows you to lock in the guaranteed purchase amount by paying slightly higher monthly payments than the Fair Market Value Lease Option. Once again - no money down, no advance payments, no security deposits, no interim rent.

3

FAIR MARKET VALUE LEASE

A Fair Market Value Lease (FMV) offers the lowest monthly payment. No money down, no advance payments, no security deposits, no interim rent. At the end of the original term you can purchase the equipment for its fair market value at that time.
