

We Stand Behind Our Equipment... Any time, Any Place

Wacker Neuson is a global manufacturer with a comprehensive portfolio of light and compact equipment. Wacker Neuson's emphasis stands firmly on outstanding quality, innovative technology, personalized service and close customer contact.

In the United States and Canada, Wacker Neuson products are sold and rented by a network of dealers and supported by an industry-leading team of factory-trained sales, application and service personnel.

All parts are available through Wacker Neuson's USA distribution center and are typically shipped within 24 hours of ordering.

Wacker Neuson's line of compact and light equipment features industry-leading standard and extended service protection plan options.

Look no further than Wacker Neuson equipment and jobsite consulting for all phases of the construction process.

Protect your investment with the Wacker Neuson Extended Service Protection Plan (ESPP)

ESPP is a purchased Extended Service Protection Plan that provides coverage against defects in OEM materials and/or workmanship after the standard base warranty has expired. The cost to add this plan can be added to the financing program.
